

I'm Anja Rijlaarsdam and DGE District 1610 in The Netherlands 2013-2014. It's a great honor for me to fulfill this task.

I studied law and mediation and with those skills I started my own company. I'm still working despite my age (I'm 66 years old) and the possibility to stop because working gives me great satisfaction. Beside that I've got four children and five grandchildren. One daughter lives with her husband and two children in Hong Kong. I'm a very active person with a lot of hobby's and eager to learn,

Being a member of Rotary is a part of my life. My father was a Rotary member and we grow up with exchange students from Rotary. When

I had the chance to become a Rotary member, I hesitated not a second. Rotary brings me friendship, knowledge, a great network and the satisfaction of doing something good for the community .

It's a pleasant surprise to get the possibility to stay at a home from one of your club members. I'm looking forward to experiencing the home life with a fellow Rotarian in America.

Hope to meet you in January 2023

Anja
